## APPLICATION ATTACHMENTS

### 1. TRANSCRIPT

Applicants will not be considered without a transcript. High school seniors must submit a transcript with a cumulative grade point average. College students must submit the latest available college transcript. Applicants must have maintained at least a 2.5 grade point average during their last two years in school. Grade point average will be considered in awarding the scholarships; however, it will not be the only consideration. Applicants who have been out of school for more than two years may submit transcripts or no less than two employment related recommendations.

### 2. LETTER OF REFERENCE

Enclose one letter of reference from non-family individual such as guidance counselor, teacher, or employer.

### 3. ESSAY

Enclose with the application an essay consisting of no less than 500 words using correct grammar, spelling, and punctuation to answer the following questions. Responses should be thorough including personal experiences, insights, and reflections.

Respond to the following essay questions:

- Why do you want to continue your education?
- What are your ambitions and goals?
- How will you use your education to benefit society?

Include one paragraph on one of the following:

- How can you use your chosen career or field of study to affect the sustainability of water in the natural environment?
- How will your career be affected by the availability of water?
- How can your life choices affect the quality of water in your life?

**I affirm that the information that I have provided in this application, or any supportive material, is complete, accurate, and true to the best of my knowledge. I understand that furnishing false information may result in disciplinary action.**
