EXHIBITION HALL

The exhibit hall space can hold over 75 oversized booth spaces and 350 square feet for equipment or trailer displays. We are looking for the exhibition hall to be a dynamic and energetic space throughout the show hours and are eager to manipulate the booth design to fit your ideas.

The 10 FT. by 10 FT. booth space will come with a skirted table, two chairs and a waste basket. Additional items such as booth carpeting, high top tables, bar stools, etc.; will need to be purchased from Hollins Exhibition Services. There will be runway carpet laid for the walkways for the comfort of the attendees.

In addition to the meals being served with the exhibits, the classrooms are located adjacent to the hall which will allow for quick and easy access in and out between classes.

Booth dimensions can be adjusted for multiple booth configurations according to your exhibit design. Early bird rates expire November 1st, rates will increase by 15% thereafter. Electricity is connected from ceiling down and has a $75 fee per booth.

Dear [Name],

I am thrilled to announce the 2024 VWWA Winter Conference, scheduled for February 19-20, 2024. We are excited to welcome new employees to see what our industry has to offer and to start them on their way to building relationships with not only licensed water well system providers but other trade providers. We are planning for 350 attendees and hope to exceed this by advertising to other industries, including professionals, new exhibitors, and nonmembers across Virginia and the surrounding States.

Bring new employees to see what our industry has to offer and to start them on their way to building relationships with not only licensed water well system providers but other trade providers.
